BUSINESS SUMMARY:

Founded in 1976, Naughton Energy is a supplier of energy products, lubricants, and provider of energy services. Our clients include government, commercial, transportation & industrial customers. We can provide products and services throughout the continental United States.

PRODUCTS AND SERVICES

- **PETROLEUM - GASOLINE, HEATING OIL, DIESEL, MARINE, KEROSENE, JET, RESIDUAL, RE-REFINED OIL, AND BIO-FUEL (BIO DIESEL & BIO HEAT)**
- **COAL – ANTHRACITE & BITUMINOUS**
- **LUBRICANTS - MILITARY SPECIFIED, COMMERCIAL AND INDUSTRIAL, INCLUDING FOOD GRADE PRODUCTS**
- **NATURAL GAS / ELECTRICITY / ENERGY AUDITS**

HISTORY

Naughton Energy was formed in 1976 as a coal trading firm with its initial market efforts concentrated in the Northeastern United States. In the early 80's the company entered into petroleum sales. During the 1980's coal and petroleum market areas were expanded, and the company initiated sales of natural gas and specialized & industrial lubricants. Naughton Energy is presently supplying coal, petroleum, and lubricants to customers throughout the continental United States and with affiliated companies, can supply natural gas, electricity sales, and provide energy audits.

UNIQUE VALUE PROPOSITION

The company has a sound credit rating which allows the purchasing of products from a variety of refiners, and provides the ability to securely finance its contract obligations. A transportation network composed of truck, rail, barge and pipeline movements provide Naughton with access to all regions of the country.
